

Cheers to a New Beginning

Save the Date!!! Save the Date!!!

Celebrate with us our first year as a school!

We are celebrating our first year and all of our accomplishments! We have begun the process of planning for our fundraising event on Friday, April 30, 2010. Join us for food, drinks, dancing, silent auctions, and raffles.

In order for this to be successful it is imperative that we have your help. We are asking that you volunteer in one of the following ways:

- _____ Contacting local businesses for donations
- _____ Interviewing and Securing a DJ
- _____ Setting up the school hall the day of the event
- _____ Clean up after the event
- _____ Making center pieces for the tables
- _____ Help to address and mail invitations (from home or school)
- _____ Assemble baskets for raffle
- _____ Organize the silent auction items
- _____ Sell tickets after mass

Please return this form by December 11!

If you yourself do not have the time to donate, please ask a grandparent, friend, or relative who might have the time to assist us. Groups will be assigned and a brief meeting will be held the week of December 14 in the evening.

Without your help and support we are not a successful school on every level. You are what makes us as special as we are!!

Our first annual event will be held here in the school hall; therefore ticket prices will be less than originally anticipated. Be sure to share the date with your friends and family!

God Bless,

Mrs. Hodge
and the Faculty and Staff of the Academy
